

Idaho Preferred® Fundraiser

Idaho Schools Supporting Idaho Farmers

The one of a kind fundraising opportunity featuring fresh, products straight from our very own IDAHO farmers and ranchers.

The Program:

Idaho Preferred, a program to identify and promote Idaho food and agriculture products, in conjunction with Idaho Department of Education, has created an exciting fundraising program for Idaho schools.

One-of-a-kind:

The Idaho Preferred® fundraiser features healthy, unique food products grown and made in Idaho with local ingredients.

Simple:

Every item is priced \$12.00 - a number easy for even the youngest students.

Profitable:

All items in this fundraiser will cost your school \$7.00 - including delivery costs- guaranteeing your school a \$5.00 profit on each item.

Convenient:

All delivery expenses are included. Items will be delivered to your school the week of November 28-December 2.

Supportive:

Strengthen your community by investing your dollars close to home - each purchase directly benefits Idaho farmers *and* Idaho schoolchildren.
